Narrowboat "Nemesia II"

60ft Traditional stern

Builder: Stephen Goldsbrough fit out, Midland Canal Centre hull.

Year: 2000

Engine: Beta JD3 3 cylinder, 30hp @1,200rpm

Batteries: 1x Starter, 3 x Leisure batteries, 1 x Bow thruster

Berths: Fixed double midships, two singles at stern and sofa bed.

Boat Safety Certificate: 2027

Electrics: 12v power throughout, 240v power supplied shoreline hook up and 1500w Mastervolt inverter. Single solar panel on the roof.

Heating: Morso squirrel stove in saloon. There used to be an Alde gas heater that heated the calorifier and radiators. All of the plumbing remains.

Water Heating: Calorifier heated by the engine.

Lining: Varnished oak t&g boards are on the ceiling and upper walls, varnished oak faced ply lower walls. Rockwool insulation throughout.

Flooring: Vinyl flooring and carpet throughout.

Comments: Nemesia II is a good opportunity for someone that is looking to live aboard, she is in need of some work internally

£47,500
